

Starting Rivfloza[®]

NovoCare[®] is with you from the beginning, here to provide assistance and answer questions every step of the way.

Here's what you can expect from NovoCare[®]

You'll receive a welcome call from a dedicated NovoCare[®] Patient Liaison.

This is your personal support from NovoCare[®] throughout your treatment journey. Your Patient Liaison will talk to you about NovoCare[®] services and support, starting Rivfloza[®], and finding the right resources.

Additionally, your Patient Liaison will work with a NovoCare[®] Case Manager to determine your insurance coverage and estimated out-of-pocket costs.

Haven't received a Rivfloza[®] Patient Starter Kit yet? Ask your dedicated Patient Liaison to send you one.

TIP: Save your Patient Liaison's extension so you can easily reach them when you call 1-844-906-5099.

Questions about paying for Rivfloza[®]?

You may have financial options available to you.

If you have commercial insurance, such as insurance you receive through an employer or purchase yourself, you may be eligible for savings on your Rivfloza[®] medicine. See if you are eligible at RivflozaSavings.com.

Eligible patients may be able to receive Rivfloza[®] free of charge through the Patient Assistance Program.

NovoCare[®] can help in navigating the insurance process.

If a prior authorization from your health care provider is required for starting on Rivfloza[®], or should your insurance deny coverage, NovoCare[®] can provide support with information about the appeals process.

Have a delay in insurance coverage?

NovoCare[®] may be able to assist with our JumpStart[™] program. This program provides a limited supply of free Rivfloza[®] to those who qualify as they are waiting for their insurance coverage to begin.

If you have questions about any of these options, your Patient Liaison can help.

Your Rivfloza® (nedosiran) injection 80 mg, 128 mg, or 160 mg will be shipped directly to you.*

Rivfloza® will be shipped directly from a specialty pharmacy.

During this process, the specialty pharmacy may call you to discuss important information and schedule your shipment.

If you don't return calls from the specialty pharmacy, this could delay your prescription.

TIP: Sometimes a specialty pharmacy may call from an unknown number, so check your voicemail for messages that refer to a "prescription" and be sure to call them back promptly.

You'll have assistance learning how to administer Rivfloza®.

Your Patient Liaison can help schedule an in-person or virtual appointment with our trained Injection Specialists to help make sure you or your loved one understands the injection process.

Your NovoCare® support continues on
